

The Handover

Loyal by Nature.

A bond is built on trust.

CARE

Who feeds, walks, and rests the dog.

STRUCTURE

Rules, boundaries, and limitations.

CONSISTENCY

The same rules, from every person.

CALM

Your calm is what your dog copies.

A dog that knows what comes next is calm.

Your dog is always reading you.

BODY

Stand still and calm. Your dog reads posture first.

WORDS

Say it once. Use the same word every time.

TIMING

Reward the moment it happens, not a second later.

PLACE

Dogs learn place by place. Practise everywhere.

Every dog works for something.

FOOD

Teach new things with food.
Keep pieces small.

PLAY

Use play for recall and
energy. Keep it short.

AFFECTION

Use touch and praise to
confirm calm, not to excite.

FREEDOM

The open door is a reward.
Make your dog earn it.

The best reward is the one your dog chooses.

*Be the person your dog
thinks you are.*

Every day. The same way.

Loyal by Nature.
