

Refresh Course

Sharpen what your dog already knows.

Loyal by Nature.

Who this is for

A short return stay for graduates of Cairo Canine Club.

Dogs that completed a Cairo Canine Club training program.

Commands that have gone soft, or habits that have crept back in.

Owners who want specific behaviors polished before guests, travel, or a move.

Households restoring the routine after a busy period.

How the refresh works

2 weeks. Your goals set the plan.

Your goals first. The stay is built around the behaviors you name.

Back in the routine. Daily structure at Cairo Canine Club from day 1.

Polish and proofing. Known commands sharpened around distractions, indoors and outdoors.

Habit work. Specific behaviors addressed with consistent handling.

Real-world practice. Streets, visitors, and busy environments where it matters.

What you receive

Steady communication before, during, and after the stay.

A weekly training update video, with videos of your dog's day in between.

Follow-up calls during your first weeks at home.

Direct WhatsApp support once your dog is home.

Another refresh available whenever the routine needs it.

A refresh is not a restart. It sharpens what your dog already knows, and hands the routine back to you.

The owner session

The stay closes with you, not just your dog.

ON THE FINAL DAY

1 owner session at Cairo Canine Club. Review what was polished, practice the commands with the trainer, and take the routine home with you.

AFTER THE STAY

WhatsApp support continues once your dog is home. Additional sessions are available if needed.

The single largest factor in long-term reliability is you.
